

CLASSIFICATION SELECTION PROCESS OF PICKING 2ND, 3RD, or MORE AFFILIATED ASSOCIATION SPOTS

- 1. The number of teams allowed to participate at each classification shall be one per Affiliated Association plus the tournament host (Example 5)
- 2. In any series where the number of Affiliate Associations participating plus the tournament host is fewer than 12 (16 at 8U/9U), the number of teams which will be allowed to participate would be up to 12 (16 at 8U/9U), including the tournament host.
- 3. If there are fewer than 12 teams classified at a classification (16 at 8U/9U), all teams may be permitted to participate. (Example 3)
- 4. If there are additional spots remaining after awarding one per Affiliated Association and one to the host, the extra spots will be awarded as follows (in each scenario, the host team will not count against the Affiliated Association in the allocation of the extra spots):
 - a. If the number of extra spots allows for an even distribution among Affiliated
 Associations at that classification, they will be awarded as such, and no draw is
 required. (Example 4)
 - Each Affiliated Association Each Affiliated Association will receive one ballot per additional team after sections 1 through 3 above have been applied. (Examples 1 and 2)
 - c. Each Affiliated Association is only eligible to be drawn once per round. If an Affiliated Association is drawn again the ballot will be set aside and another ballot drawn. The draw will continue in this manner until all spots are filled. (Example 6)
