(The date of birth belonging to the youngest person with a pardoned sexual offence is February 28, 1986.) Potential volunteers or employees under 35 still need to obtain an CPIC or EPIC if required by section 6 of this Baseball Ontario Screening Policy.
- Individuals may only obtain a VSC by visiting an RCMP office or police station, submitting two pieces of government-issued identification (one of which must have a photo), and completing any required paperwork. Fees may also be required. Fingerprinting may be required if there is a positive match with the individual's gender and birth date.
