

September 25, 2026 Until October 31, 2025

Youth - Ranked Teams	Women - Tiered Teams
Players are in same age division Crisscrossing of players can occur between club teams within the same age. No paperwork or approvals needed. No limits on the amount of players or amount of instances. Team Ranking does not have any bearing. Players in different age division Players can play up an age division an unlimited number of times. At least 50% of their season games played must be with their original team. If the original team and the higher calibers team play at the same time- the player will play for their original team.	Playing up in Tier (same Age Division) Crisscrossing of players can occur between club teams within the same age. No paperwork or approvals needed. No limits on the amount of players or amount of instances. Team Tier does not have any bearing. Playing up in Age Division Players can play up an age division an unlimited number of times. At least 50% of their season games played must be with their original team. If the original team and the higher calibers team play at the same time- the player will play for their original team.

November 1, 2025 Until End of Regular Season

Youth - Ranked Teams	Women - Tiered Teams
Players Playing up in Caliber OR Age Players can play up an age division an unlimited amount of times. <u>A player can only play up within their age division a maximum of 4 times.</u> The <i>One Game Permit</i> must be completed and submitted on RAMP with the gamesheet. At least 50% of their games played must be with their original team. If the original team and the higher caliber team play at the same time, the player is to play for their original team. Team 1 will be considered a higher caliber than Team 2. Players may go from Team 2 to Team 1 within the same age division. This does not change if Team 1 falls below Team 2 in rankings.	Playing up in Tier (same division) Players may play up a tier in their division a maximum of 4 games only. Playing up in Age Division Players can play up an age division an unlimited number of times. At least 50% of their season games played must be with their original team. If the original team and the higher calibers team play at the same time- the player will play for their original team.

Players Playing Down Age Divisions

No player can ever play down an age division without being aged down for the year. Approval needed by the club and league.

Call Up Limit

No more than 5 called up players can be on a team for any game without permission of the Commissioner.

Provincials

Players need to play up on a team a min of 4 times, throughout the whole season, to be eligible to play in that team's provincials. If both teams have their provincials at the same time, the player can only play with one team.

**Division is age, Caliber is the tier level.

**A player may play up one age division to their existing tier Caliber.

Tier 1 to tier 1 Tier 2 to tier 2 and 1 Tier 3 to tier 3, 2 and 1
