INTRODUCTION

Welcome to Port Coquitlam Minor Lacrosse and thank you very much for your commitment to making this year's box season a success for your son or daughter. It is only with the assistance of parents such as yourself that we are able to offer the players a box season to remember and enjoy.

If you are a new volunteer, we hope this manual will help you through the unknown of what these duties entail and failing that, provide you with the resources necessary to find the answer to any question you may have. To those of you who are returning – once again thank you for your commitment and maybe this manual can help you with some unanswered questions.

Good luck and good lacrosse and once again –

Thank You!

General Rules & Arena Safety Guidelines

1. Please encourage your players to respect the facilities and the customers in the facilities. Ensure your players do not throw lacrosse balls inside the facility, except on the floor. Also, they should not throw balls against the outside walls of the arenas. In past years glass and stucco have been broken and damaged. Stay out of all marked areas – especially as this is a construction zone for the next few years.
2. Please do not warm up your players in the parking lot. We are concerned for the player's safety and do not want lacrosse balls bouncing off any cars. There are grassy areas located near both arenas that you can use for warm ups.
3. **Players must wear a helmet at all times when on the lacrosse floor.** Coaches are asked to help educate the players and to help enforce this safety issue.
4. Please bring your own lock for dressing room doors in both arenas. Keep the doors locked at all times while your team is on the floor.
5. Have teams use the dressing room to change and leave their lacrosse bags. Do not allow the players to change in the lobby or walkways and leave their bags lying around. Each team is entitled to one dressing room during your floor times.
6. Speak to the arena staff if you have any issues with the facilities.
7. Coaches, managers and parents support with these items would be appreciated by the arena staff.

Manager Duties and Quick Info

Organize Your Team

1. **Prepare a team roster** complete with parent names, contact (cell if possible) numbers and email addresses
2. **Set up Team Snap**

Team Snap is an invaluable tool for organizing your team during the season
Automatically notifies players/parents of upcoming practices/games
Allows coaches/managers to track player availability for games and practices
(This comes in very handy for games, so you know how many players you have showing up or if you need to call in more players from a lower tier)
Great system for team communication through system Message function
Cost is minimal and should be covered by the team fund (see Team Snap Tips section)
3. **Set a date for your first team parent meeting** after one of your first team practices
 - Call it a MANDATORY MEETING for parents/coaches ONLY
 - Do this after or during one of the first few practices.
 - Cover the important points you will need your parents to know for the season –
Tournament options, raffle ticket sales, jersey deposits, team fees, Provincials, timeclock and scorekeeper schedules, expectations of kids and parents

Write an agenda for your team meeting Send your draft agenda to your coach for input
Check out available tournaments for your team – Write a list of dates, locations and costs to present as options. (see Tournaments section)

Jersey Deposits

All parents must provide a postdated cheque made out to PCMLA, dated August 1, 2019 for \$100 before jerseys can be handed out to players. Please hold onto the cheques until the end of the season, when players return their jerseys undamaged cheques will be destroyed.

Raffle Tickets

All PCMLA athletes will be required to sell a book of raffle tickets. Your tickets will be distributed early in the season at a cost of \$50 per book. You can include this cost in teams fees and parents keep money collected during the selling of tickets.

Team Fees

Throughout the season the team will encounter costs that parents are responsible for paying. These fees can either be paid by a nominal fee per player, fund raising or a combination of both. Some of the costs you can expect for the team are:

- Raffle Tickets
- TeamSnap monthly cost (roughly \$10 -\$12 USD/month, for 3-4 months)
- Tournament Fees
- Officiating Fees for exhibition games (if applicable)
- Floor time fees if **additional** arena practices above and beyond your schedule if requested by the team
- Saints coach shirts or other gear

- Season wrap-up party/coaches gifts

It is recommended to collect team fees per player **up front** to cover the essential costs such as tournament fees, TeamSnap, provincial playoff fees (if applicable). Then if the team chooses to fundraise, that money can go towards extras such as team clothing or social events. In otherwise words don't rely on fundraising to cover necessary costs.

Tournament fees are required very early in the season so make collecting the team fees a priority.

Fund Raising

Any team fund raising activity is a team decision and must be documented and records made available to team parents and Division Managers at the end of the season. Teams often require funds in order to participate in tournaments or purchase other items for the team players such as trophies, etc. and will often hold fund raising events on their own to reduce the amount of funds required directly from parents. It's a good idea to discuss your team's goals with your coach and parents and come to a mutual consensus on the amount of fund raising to be done. All fundraising must be approved by your division manager.

****Please note that no fundraising (Goal Boxes, 50/50 etc.) is permitted during team games (home or away) or practices****

After Game Snacks

Game snacks are especially popular with younger players, but older ones enjoy them too! It is best to schedule a family for each game to be the treat bearers (this can be done on your game schedule), or one family can manage the freezies for the season.

Wrap-Up Parties

This is generally your last function of the season, a time to give the players their trophies or plaques (optional), recognize your coaches and parents that helped out throughout the season and just have a good time. Players always look forward to their wind-up party and it is the last event they'll have a memory from, so make it a good one.

Medical Information Sheets

Attached you will find a medical information sheet, please have one filled out and signed for each player at the beginning of the season. Keep these sheets available at all team events (practices, games etc..) in case of emergency.

Team Finances

Keep records of all money collected and spent from team fees. These records must be made available to parents and Division Managers at the end of the season. Any left-over money must be returned to parents at the end of the season. You are encouraged to use the team budget excel template found [here](#).

Team Clothing

All team clothing orders must be purchased through Textile Innovations and be approved by PCMLA executive. No other supplies are permitted as our logo is protected. Please contact Darren at their website. <http://teaminnovations.ca>

GAME LOGISTICS

Game Sheets

You should receive a supply of game sheets from your division manager. A game sheet will be completed for all games – exhibition and regular season. As home team, you are responsible for ensuring the following information is included:

- Game number
- Division
- Date
- Officials names (include 30 second)
- Player roster - in numerical order by jersey number (only players in attendance by the end of the second period)
- Coach and bench staff (the form must be signed as verified by either the coach or manager)

Once the opposing team manager arrives the form is passed to them so that they may complete their roster.

At the end of the game the refs will complete some portions of the sheet and sign the sheet.

If you are the **winning team you are responsible for forwarding the information** to your league commissioner (list attached), in the event of a tie, the home team will distribute the game sheet. The white copy is scanned and emailed or faxed to your commissioner within 24 hours and followed up by mail within 3 days. The pink copy is for the winning team and the yellow copy is for the losing team.

Ref and Shot Clock Fees

You will need money to pay the refs and shot clock – fees are as follows (it is suggested that when you receive the funds you separate into your games):

Mini/Tyke	\$20.00 x 1
Tyke	\$20.00 x 2
Novice	\$30.00 x 2
PeeWee	\$35.00 x 2
Bantam	\$40.00 x 2
Midget	\$45.00 x 2
Jr. Girls	\$50.00 x 2
Shot Clock (MT/Tyke/Nov/PW/Female)	\$15.00
Shot Clock (Bantam/Midget)	\$20.00

You will receive funds from the PCMLA to cover these payments.

A Ref payment form is attached to this booklet – it **MUST** be used, and any leftover funds must be returned to your Division Manager with the payment form at the end of the season.

If your team ends up in a play down situation for provincials and you do not have enough ref money left, please contact your division manager. If you do not receive funds prior to the game(s) you will be responsible for paying the ref fees and will be reimbursed by the PCMLA.

All officials are to be paid off the floor (with the exception of Mini Tyke/Tyke), prior to game time.

Time Clock and Score Sheet

For every game you will be responsible for finding two volunteers to operate the time clock and do scoring. Our recommendation is that once you have a game schedule you make up and distribute a volunteer schedule for the time clock/game sheet – rotating it through your player families. If the persons responsible are unable to perform their duties for their assigned game, then the responsibility is upon them to find a replacement.

This frequently becomes a manager's most difficult duty – do not leave it on a game by game basis - schedule in advance.

Exhibition Games

In all likelihood your coach will arrange an exhibition game prior to the season starting with another team in the league. If it is a home game, you will have some duties involved with getting the game organized.

- 1) Contact our scheduler to get some floor times that are available
If you plan to use your regularly scheduled game time, you should advise the scheduler that you are planning an exhibition game.
You will find that you will be in contact with the scheduler numerous times throughout the season.
- 2) Contact our ref allocator to have refs assigned for the game.
They will need to know what the level of the players are (division and level ie Midget A1), what time and date the game is being played and in which arena
- 3) Contact your commissioner with the game information – he or she will give you a game number.

Floor Scheduler	Alison Gignac	scheduler@pocominorlacrosse.com
Ref Allocator	Stacy Hemmerling	1stvice@pocominorlacrosse.com
Head Ref	Katrina McCurrach	headref@pocominorlacrosse.com

***You will also be responsible for score and time keepers and ref fees.**

Game Cancellations/Reschedules

Once you receive your game schedules you will most likely have games that will have to be cancelled and rescheduled.

It is the responsibility of the home team to rearrange these reschedules and your Commissioner must be notified.

Based on the home floor schedules, refs and 30 second persons will be automatically assigned by the ref allocator. **If a game is to be rescheduled, you must first advise the scheduler and then the ref allocator and commissioner.**

If the floor time is needed for another team to play a game the scheduler will reassign that time, and if that is not necessary, upon agreement of the scheduler, you may use your home game time as practice but you must first have the permission of the scheduler. You must also ensure you cancel the refs, upon failure to do so, you will be required to pay the refs, regardless. **Refs should be given at least 48 hours' notice of game cancellation.**

You will then be required to reschedule the game with the scheduler (as with exhibition games), contact the scheduler who will give you some alternate game times. Once a game time is agreed upon by you, your coach and the coach of the other team, you may contact the ref allocator to arrange officials.

If agreed upon by both teams and the Commissioner, rescheduled games may be made up during tournament play if the teams are scheduled to play each other.

You should also advise your Division Manager of any rescheduled games and you must advise your League Commissioner once the games are rescheduled.

Players

The maximum number of players permitted to be dressed and on the bench are 18 runners and 2 goalies - no deviation. The minimum number of players allowed is 6.

No player can be on the floor or bench without a helmet.

Call Ups

You can only call up from a lower tier in the same division for example peewee C to peewee B (maximum 4 players per game)

If calling up from lower division eg: Peewee to Bantam
A can only A, B and C can go anywhere (max 2 of these players)

5th call up of any one runner or 7th call up in the case of a goalie makes them a member of the team they have been called up to

****Coach MUST contact coach requesting call ups - do not contact players directly****

TOURNAMENTS

POCO

MINI TYKE, TYKE and PEEWEE – Managers of these teams please read and understand the following:

May Day Mini Tyke/Tyke tournament which will be held May 11 - 12, 2019.

Pop Styles Peewee tournament will be held May 29 – June 2, 2019.

All POCO teams will participate in their respective tournament (they are also required to pay the tournament fees) so make sure you don't make other arrangements (especially other tournaments) that weekend. Please ensure you get payment and your team roster to the tournament coordinator as soon as possible.

You will receive the tournament game schedule as soon as it is available

Each team will be **responsible for filling mandatory volunteer positions** throughout their tournament. Volunteer duties will include, but are not limited to, selling 50/50 tickets and manning the raffle booth, scoring, etc.

All POCO teams are also **required to submit a basket for our raffle**. Please contact the tournament coordinator with your theme idea so that there aren't multiples of the same type. The **fee for this basket should be added to the team fees** at the beginning of the year to make it easier for everyone.

TOURNAMENTS (other than POCO)

One of the first orders of business at the start of the season should be to determine in consultation with the coaching staff and the parents, which tournaments the team wishes to participate in.

The list of tournaments can be found on the BCLA website (www.bclacrosse.com)

- **Choosing a Tournament**

Before contacting any associations re tournaments, you should contact your Division Manager (list attached), it is quite possible your Division Manager has applied for several tournaments on behalf of his/her teams as most tournaments fill up very quickly.

Once you and your team have decided which tournaments to attend (most usually attend 1 out of town tournament and at least one in town tournament), you carry on with registering your team with the sponsoring association. You will need to pay tournament fees (that means collecting money from parents so you will have to determine how much each parent owes as teams are responsible for funding their own tournament fees) and submit your team roster to ensure your spot in the tournament.

- **Accommodations**

You (or another designate) should also look into accommodations for out of town. Quite often the host association will make arrangements with hotels/motels in their area to provide reasonable rates for travelling teams. This information will in all likelihood be included in their tournament information. It is still up to you (or a designate) to reserve a block of rooms for the team so the players can be all together. You will likely need to supply a credit card number just to reserve the rooms and then as the parents book their accommodations, they use their own payment method.

- **At the Tournament**

Once at the tournament it is the Manager's duty to check the team in with the tournament

coordinators. You will likely have received your game schedule ahead of time by email so you will know when your first game is scheduled.

***Remember to reschedule any games that will conflict with any tournaments you may be attending (please see the section regarding rescheduling as there are several steps involved).**

PROVINCIALS (PeeWee – Midget Boys and PeeWee – Jr Female teams)

Another decision – whether to declare your team for Provincials (see below for dates and locations). This decision must be made by prior to mid-June, 2019 as this is the deadline for the association to submit your declaration. This decision again should be made together by the parents, players and coaches. Point to remember, once a team declares and the fees have been paid and the team roster submitted to the BLCA (by your home association) that team must participate as the fee is nonrefundable and additionally the association will incur additional fines. This decision should be made jointly by the players, parents and coaches in co-ordination with your Division Manager. Your Division Manager will submit the actual declaration, so it is important to involve them in any decision.

If the host association for Provincials is Port Coquitlam teams will get an automatic bye for one team in each tier of the division (A1, A2, B & C)

Provincial rules and guidelines can be found on the BCLA website – www.bclacrosse.com.
