- The artificial turf FIELD is approximately 200 feet long and 85 feet wide. Dasher boards, topped by plexiglass, surround the field. Player's benches and the penalty boxes are behind the Dasher boards at midfield.
- The BALL is the Kendis NISL ball, 27-28 inches in circumference, weighing 14-16 ounces and is colored red, white and blue.
- The GOAL is 8 feet high and 14 feet wide and it set into the boards at both ends of the field.
- The GAME is played in four 15-minute quarters. There is a three-minute interval between the first and second quarters and between the third and fourth quarters and a 12-minute halftime. The clock stops when a goal is scored, when the ball leaves the playing area or when there is a penalty kick, penalty call, yellow line violation, official timeout or any whistle by the referee. The clock restarts with the official's hand signal and the playing of the ball.
- The visiting team will have possession for kickoffs in the first and third quarters; home team in the second and fourth.

Play restarts after the ball leaves the playing area, with a kick in, corner kick, or a goal kick.

- Each team will be allotted one (1) timeout per half. Timeouts will be one (1) minute in length. Timeouts are not to accumulate over the course of the game. Teams either use it or lose it.
