Teams without prior participation in **Men's Division I** must obtain approval before registering.

Men's DII, Men's Senior Division, Women's DI and Women's DII placement will be determined by the tournament directors and will be based on several factors including, but not limited to, previous results.

**YOUTH LEGACY DIVISION** – Reserved for Single-A level Classic and Heritage teams made up exclusively of Single-A level players.

**YOUTH SELECT DIVISION** – Reserved for AA and AAA level Classic and Heritage teams made up exclusively of AA and AAA level players.

**Important notes:** In the event that a minimum of four (4) teams does not register for any division by May 1, 2026, the division will be canceled, and the full team registration fee will be refunded. Amerigol International Hockey Association assumes no responsibility for airline tickets, hotel accommodations, travel arrangements, or any other expenses purchased or incurred prior to May 1, 2026.

Each division has a maximum team capacity, as listed above, and will be filled on a first-come, first-served basis.

**All organizations must register directly through Amerigol and not through a third party.**

Registration will open on **Thursday, February 5, 2026**, on our website [www.amerigolhockey.com](http://www.amerigolhockey.com)

Registration fees are non-refundable but may be credited toward next year's event in the event a team is unable to participate.

**All teams must be registered by May 1, 2026, to participate in the tournament, no exceptions.** Team rosters **do not** need to be finalized to register. **Rosters must be submitted by June 26, 2026, no exceptions.**

\*\*Once a roster is submitted, including all player names and jersey numbers, it is considered final and no additional player changes may be made under any circumstances. Each team is permitted a maximum of twenty-two (22) skaters and three (3) goaltenders.

If a player is injured prior to the tournament, the player may be removed from the roster but may not be replaced. The sole exception applies to goaltenders. If a team is reduced to one (1) goaltender prior to or during the tournament, the tournament directors will assist in securing a backup goaltender.

While we understand that prospective players may reach out from various locations, it is the responsibility of each team to organize a tryout or evaluation with members of their coaching or management staff prior to the roster submission deadline.

Due to the continued growth of the tournament, no changes or modifications to rosters or player numbers will be permitted after the submission deadline. Final responsibility for roster accuracy and completeness rests with each team.

Submitting Rosters for the Youth Divisions:

As part of the roster submission process, all youth players competing in North America will be required to provide written confirmation **from the organization the player competed with** during the 2025–26 season, verifying the team and level of play, **as well as written confirmation from the organization the player will compete with** during the 2026–27 season. For clarity, confirmation cannot be provided by the team or organization participating in the Amerigol Latam Cup.

Players who participated in any of the 2022, 2023, 2024, or 2025 tournaments already have their heritage eligibility documents on file and are not required to resubmit them.

Updated tournament rules and regulations will be posted on our website and available for download on **February 22, 2026**.

We will be providing the following information after the registration deadline:

- INSTRUCTIONS ON SUBMITTING ROSTERS
- HOTEL RATES AND INFORMATION
- MEDICAL INSURANCE INFORMATION
- INFORMATION REGARDING PRACTICE ICE
- DATE FOR GROUP ZOOM MEETING FOR MEET AND GREET AND REVIEW OF ANY GENERAL TOPICS
