THE LEAGUE

In just its second ever season of play, Major Arena Soccer League Women has mushroomed to 24 teams, including 18 teams returning from the league's inaugural season, and six new clubs, representing teams in Canada, the United States and Mexico. It is only the second time ever in the MASL pyramid of that all three countries in North America have been represented under the MASL banner.

Three of the teams in the Great Lakes North – Detroit City FC, Indiana United at the Youngstown Nighthawks were members last year. Detroit City, in fact, turned in a perfect 10-0 season and advanced to the league's first-ever championship game, where they fell to the Chihuahua Savage. New in the GLN is a Canadian entry, FC Berlin, which is based in Kitchener, Ontario Canada.

Many eyes will be on the Great Lakes South, where all four teams finished with better than .500 records last season. That includes the Cincinnati Sirens who won the regular season with an 8-2 record. Nipping at their heels all season were the Louisville Triumph, Columbus Eagles, and Akron based Susserfuss Ballveiren, who all return.

The Heartland five teams returning, including all three based in one of most iconic indoor soccer markets in the country, Wichita. The ICT Aztecs were the regular season division winners in 2024-25, and they are joined again this year by the Wichita Aero and Wichita Lady Luck, sister team to the MASL 2 Wichita

Wings. Also back is the Side FC Cyclones (OKC Oblivion last season) and the Tulsa FC Channel Cats, joined by a second Oklahoma City area team this winter, the OKC Ghosts.

Teams will play a 10-game regular season schedule with a national playoffs to conclude the season next spring at a site to be determined.
