THE LEAGUE

In just its second ever season of play, Major Arena Soccer League Women has mushroomed to 24 teams, including 18 teams returning from the league's inaugural season, and six new clubs, representing teams in Canada, the United States and Mexico. It is only the second time ever in the MASL pyramid of that all three countries in North America have been represented under the MASL banner.

Three of the teams in the Great Lakes North – Detroit City FC, Indiana United at the Youngstown Nighthawks were members last year. Detroit City, in fact, turned in a perfect 10-0 season and advanced to the league's first-ever championship game, where they fell to the Chihuahua Savage. New in the GLN is a Canadian entry, FC Berlin, which is based in Kitchener, Ontario Canada.

Many eyes will be on the Great Lakes South, where all four teams finished with better than .500 records last season. That includes the Cincinnati Sirens who won the regular season with an 8-2 record. Nipping at their heels all season were the Louisville Triumph, Columbus Eagles, and Akron based Susserfuss Ballveiren, who all return.

The Heartland five teams returning, including all three based in one of most iconic indoor soccer markets in the country, Wichita. The ICT Aztecs were the regular season division winners in 2024-25, and they are joined again this year by the Wichita Aero and Wichita Lady Luck, sister team to the MASL 2 Wichita

Wings. Also back is the Side FC Cyclones (OKC Oblivion last season) and the Tulsa FC Channel Cats, joined by a second Oklahoma City area team this winter, the OKC Ghosts.

Teams will play a 10-game regular season schedule with a national playoffs to conclude the season next spring at a site to be determined.

>> **GAME RECAP:** The Texas Lone Star Soccer Club, the Major Arena Soccer League Women's (MASLW) newest franchise, made history on Saturday night, securing not only their first-ever home victory in a thrilling 4-2 win against the Houston Indoor Club, but also at their inaugural season opener at their home field - TOCA Carrollton. The atmosphere was electric at TOCA Carrollton as the Lone Star team faced an extremely seasoned, experienced, and talented Houston side, widely recognized for its roster of veterans from the game of both outdoor and indoor soccer. The victory not only marks a momentous achievement for the young franchise but also signals their intent to be a competitive force in the MASLW from day one. "This is an incredible moment for our club, our players, and our fans," said Pia Namdar, owner of the Texas Lone Star S.C. "To secure our first home win, and to do it against a strong, veteran club like Houston, speaks volumes about the talent and heart of this squad. We're building something special here, and this is just the beginning." With over 350 fans in attendance, the environment was electric from the start to the finish. The Lone Star offense was efficient and timely, with a balanced attack leading to four decisive goals. Emily Juarez opened the scoring for Texas with 4:09 to play in the first half, and quickly added her second just over two minutes later in a "wallascora" play from Lauren Crimi. Juarez got her third point of the night assists on a goal by Alyssa Daily just over five minutes into the third with Jordan Colbert closing out the Lone Star scoresheet with 8:47 to play on a direct free kick. Houston (0-1) actually opened the scoring with two goals in the game's first three minutes, one from Miranda Carrasco and the other by Isabella Marinaro, before the Texas defense slammed the door the rest of the way. Goalkeeper Mariana Gonzalez also delivered a strong performance, anchoring the defense and making crucial saves throughout the match to maintain the Lone Star (1-0) lead.
