

MARCH BREAK HIGH PERFORMANCE CAMP

LIMIT: 50 ATHLETES

The OAWA March Break Competition Camp is a **high-performance training environment** intended exclusively for Ontario's top athletes. Athletes are expected to arrive fully conditioned, with a strong technical foundation, and the ability to perform effectively during a high training-load preparation period delivered across multiple daily sessions. Training will reflect the **demands, pace, and expectations of national and international competition**, with performance-based evaluation throughout the camp.

**** This camp may be used to inform future Team Ontario selection, spring and summer High-Performance programming, and international competition opportunities.**

 **Battle Arts Academy**
24880 Tomken Rd. Mississauga

 **March 17-19, 2026**

wrestling & matches

2:30PM DEPARTURE

COACHES

Coaches may attend and participate at no cost, provided they pre-register, have completed all required Safe Sport training, and are members in good standing with the OAWA. On-mat involvement and session leadership will be at the discretion of the OAWA High-Performance Manager.

Coaches will be included in technical discussions and practice planning prior to the camp, including a virtual meeting scheduled during the week of March 9-13.

IMPORTANT NOTES & TEAM ONTARIO SELECTION

This camp may be used to inform Team Ontario selection for upcoming spring and summer High-Performance programming. Selection decisions are based on training performance, conditioning, and pathway alignment.

Attendance at this camp does not guarantee selection for future teams or competitions. Participation in this camp will be considered as part of the overall Team Ontario application and selection process. As part of this review, the OAWA may consider an athlete's history of participation and engagement within OAWA programming, including involvement in provincially sanctioned competitions, camps & training opportunities.

This camp will serve as an evaluation and alignment opportunity to help inform athletes about upcoming spring training camps and tournament opportunities, including international competitions and training camps.

This camp plays an important role in supporting athlete progression from provincial competition into national and international performance environments.
