IN-STADIUM PROMOTIONAL ASSETS

Dasher Boards

Highlight your company every high-scoring, hard-hitting, and action-packed game with a full-color company dasher board sign.

Field Logos

Get in the middle of the action with your logo in a 6' x 9' square painted directly on the field. This can't miss piece of signage keeps you in the middle of the action all game long.

Concourse Signage

Make your company a part of the action and refreshment with company signage throughout the stadium concourse areas. Showcase your brand identity in highly visible locations throughout our stadium.

In-Game Promotions

Have fans cheering for your company during the break in the action with innovative in-game promotions. These fan-first activities not only excite the stands, it's a great way to drive customers through your doors.

Game Elements

Make your company synonymous with every first down, penalty, touchdown, or any other element of high-octane outdoor arena style football.

STADIUM

The Blue Bombers will play home football games in an 8,400-seat modular-built stadium. Modular sporting venues are commonplace in beach volleyball and tennis. With the UFL's unique field dimensions, the league will be the first professional football league to utilize the new technology. New technology modular stadium may be constructed in as little as three weeks.

Modular stadium concourse lounge areas. Provide an array of company signage opportunities.
