Once a team is placed, the remaining tied teams shall start the tie-breaking process over again at Step 1. as set forth in Section 13.c.i. below. The tie-breaker formulas are as follows:
 - i. The results of the head-to-head games played between the tied teams in the following order:

 3. Most Regulation Wins – Regulation wins only.

If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). DALLAS STARS TRAVEL HOCKEY LEAGUE
2023-24 TIER II STATE & AA CHAMPIONSHIPS TOURNAMENT GUIDELINES**

- by zero (0) has a higher standing than a quotient from dividing by any number other than zero (0). When two (2) or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of “goals for”.
6. Most Periods Won – In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
 7. Lowest Number of Penalty Minutes — Calculate the number of penalty minutes accrued during all Round Robin games. The teams shall be ranked low to high in ascending order of “penalty minutes for.”
 8. Quickest First Goal – The team that scored the quickest goal in any of its Round Robin games shall be ranked highest.
- ii. If, after applying the formulas of (i) 1, 2, 3, 4, 5, 6, 7, or 8, the tie still exists, (i) 2, 3, 4, 5, 6, 7, or 8 shall be applied using all of the games played by the teams tied.
 - iii. If the above procedure does not break the tie, the tied teams shall use a shootout procedure as described below.

14. Tied Games

- a. **Round Robin** - Should any Round Robin game be tied following regulation play, one (1) **sudden death, stop time overtime period** shall be played as follows:

 - i. At the completion of the third period, the tied teams shall receive a 2-minute rest period.
 - ii. The length of the overtime shall be equal to the length of the third period and shall be sudden death.

 - ii. Teams will select their shooters to participate in any order in the Sudden-Death Shootout, whether or not they shot in the previous round. The last player in the first round of the Shootout may be the first player in the Sudden-Death Shootout.
 - iii. Players in a Sudden-Death Shootout shall not be allowed to take another shot until **two (2)** additional shooters have completed their attempts.
 - iv. All goalkeepers and all players from both teams listed on the official game sheet shall be eligible to participate in the Sudden-Death Shootout; provided, however, that any penalized player whose penalty had not been completed when the overtime period ended, or who receives a penalty during either shootout procedure, is not eligible to participate in any portion of the Sudden-Death Shootout and must remain in the penalty box.
