ABOUT THE EAGLES

VICTORIA EAGLES

It's not just baseball - it's about developing young men and women as athletes, students, and citizens.

The Victoria Eagles Baseball Club is a non-profit organization incorporated under the British Columbia Societies Act. Our high-performance baseball program consists of three teams for athletes aged 13 to 18: Bantam, Junior Premier, and Premier Eagles. Each team competes in its respective division of the BC Premier Baseball League (BCPBL). The BCPBL is recognized throughout North America for its strong track record of developing athletes who advance to college and university baseball programs, as well as professional careers, including Major League Baseball (MLB).

THE EAGLES WAY

Our mission is to inspire our players by cultivating both their baseball skills and personal character, emphasizing excellence on the field, in the classroom, and within the community. Through our program, we develop top-tier athletes and respected community members by instilling values like sportsmanship, teamwork, integrity, and a strong work ethic. By focusing on excellence on the field, fundamental skill development, and academics, we equip our players to compete at the highest level. Many of our program's graduates go on to play baseball at the college, university, and MLB levels.

WHY SPONSOR

Sponsorship funds are used to improve player training and cover travel expenses, uniforms, transportation, field usage, umpires, and league fees. We aim to make the program accessible to all players, regardless of their family's financial situation. Sponsorship is crucial in keeping player fees low and making the program more affordable. It's also an excellent opportunity for your business to be recognized as a supporter of youth sports in Victoria. We offer a range of options to showcase your corporate brand in ways that align with your business goals and values.
