 - a. Teams that do not play “head to head” default to tie breaker two (2), and so on.
 2. Fewest goals allowed overall.

 4. Largest Goal Differential.
 5. Coin Toss.

SHOOTOUT PROCEDURES:

IMPORTANT: Only Championship games that end in a tie shall first use a five (5) minute (sudden-death) run-time, 4 on 4 (plus goalie), period to determine a winner. If the game remains tied after overtime a shootout will be used to determine a winner as outlined below:

- a. Each team will select three (3) players to participate in the shootout. If a player is injured or is serving a penalty and unable to participate in the shootout the next eligible player is entitled to participate. Once a player shoots he/she is no longer eligible to participate until every player on the bench (excluding goaltenders, players serving penalties or players that are injured) has participated at least once.
 - b. In the first round, players from each team will alternate shots, **with the winner of a coin toss shooting first.**
 - c. Players will start at center ice and will begin play at the direction of the referee. Goalkeepers must remain in their crease until the shooting player has started play by touching the puck.
 - d. Players are allowed one shot/shooting attempt only.
 - e. After all six (6) players have finished their attempts; the team with the most goals is declared the winner.
 - f. If, after all six (6) players have finished their attempts, the game remains tied; each team will start the second round by selecting one (1) player, who has not yet participated in the shootout, to take a turn. The shootout will proceed one player at a time with each team having an equal number of turns; the home team shoots last in each round. One turn for each team constitutes a round. Only after all players (not including goaltenders and players serving penalties) listed on the game score sheet have participated may a player take a second turn. During the second round and beyond, the team that scores first, with the other failing to score, is declared the winner.
 - g. Ensure you scratch all players (on the game score sheet given to the scorekeeper) who will not participate in the game. Any team listing a player on their game score sheet that is not dressed for the game will forfeit the game when that player becomes eligible to shoot during the shootout.
 - h. **Player(s) serving a penalty are not eligible to participate in the shootout.**
22. **International Silver Stick Finals:** Tournament Champions (U.S. Only) at each level qualify to advance to the International Silver Stick Finals. Finalists/Runner-Up may qualify to attend the International Silver Stick Finals in the event the Tournament Champion is a non-U.S. based team or if an additional bid is available.
