Only Championship games that end in a tie shall first use a five (5) minute sudden-death, 4 on 4 plus goalie, run-time period to determine a winner. (3 on 3 plus goalie for 6U/8U divisions). If the game remains tied after overtime a three (3) player shootout will be used to determine a winner as outlined below:
  1. Each team will select three (3) players to participate in the shootout. If a player is injured or is serving a penalty and unable to participate in the shootout the next eligible player is entitled to participate. Once a player shoots he/she is no longer eligible to participate until every player on the bench (excluding goaltenders, players serving penalties or players that are injured) has participated at least once.
  2. In the first round, one player from each team will alternate their shot, **with the winner of a coin toss shooting first. HOME TEAM WILL CALL THE TOSS.**
  3. Players will start at center ice and will begin play at the direction of the referee. Goalkeepers must remain in their crease until the shooting player has started play by touching the puck.
  4. Players are allowed one shot/shooting attempt only.
  5. After all six (6) players have finished their attempts; the team with the most goals is declared the winner.
  6. If, after all six (6) players have finished their attempts, the game remains tied; each team will start the second round by selecting one (1) player, who has not yet participated in the shootout, to take a turn. The shootout will proceed one player at a time with each team having an equal number of turns; the home team shoots last in each round. One turn for each team constitutes a round. Only after all players (not including goaltenders and players serving penalties) listed on the game score sheet have participated may a player take a second turn. During the second round and beyond, the team that scores first, with the other failing to score, is declared the winner.
  7. Ensure you scratch all players (on the game score sheet given to the scorekeeper) who will not participate in the game. Any team listing a player on their game score sheet that is not dressed for the game will forfeit the game when that player becomes eligible to shoot during the shootout.
  8. Player(s) serving a penalty are not eligible to participate in the shootout.
19. **Division Seeding for Semi-Final, Consolation & Championship Games:** Seeding for individual Division SEMI-FINAL, CONSOLATION or CHAMPIONSHIP games will be completed/updated on HockeyShift as soon as practicable once all ROUND ROBIN games for an individual Division are concluded/finalized. Seeding for individual Division CHAMPIONSHIP or CONSOLATION games will be completed/updated on HockeyShift as soon as practicable once all SEMI-FINAL games (or once all ROUND ROBIN games for an individual Division are concluded/finalized, if no SEMI-FINAL games are played) for an individual Division are concluded/finalized. **Tie breaker formulas can be found below. NOTE: Highest seeded team in round robin is home team throughout the semi-finals and finals.** All decisions of the Tournament Series Director and/or Tournament Series Committee regarding seeding for Semi-Final, Consolation & Championship games are final.
20. **Tie-breaker:** The following tie-breaker formulas below will be used to determine the order of finish (seeding) after round robin play between teams with an equal number of points. **Ties between 3 or more teams will default to tie-breaker two (b.) and proceed from there.** If one (1) tie-breaker establishes a position for one (1) or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall proceed to the next tie-breaker until a position is established.
  - a. Head to head record between teams with equal points.
    - i. Teams that do not play "head to head" default to tie breaker two (b.), and so on.
  - b. Goal Differential - There is a maximum goal differential of +/- 6 goals per game, regardless of how many goals teams win/lose by.

21. **Game/Score Sheet:** Coaches or Managers must check in before every game at the desk and mark any scratches from a game (player not dressing) that must be reported to the scorekeeper prior to the start of the game. All 6U and 8U tournament games will be recorded as game scores only; Individual player and/or goalie statistics at the 6U and 8U levels will not be tracked on HockeyShift. **A copy of the score sheet may only be obtained from the tournament website after the game concludes. Do not wait on the ice surface, or in/around the player's bench, penalty box or scorekeeping area for the score sheet. No hard copy game sheets will be handed out. No pictures of the game sheets will be allowed.** Each team representative is responsible for checking the accuracy of the score sheet.
