All Mississippi Raiders home football games will be live streamed! Viewers from all across the United States will be able to view our games in real time! Live streaming of our home games allows the Raiders to give our sponsors the opportunity to have more value in their team sponsorship. All games will be aired on Roku T.V.

This is a basic example of a sponsor for one of my basketball clients. It can be as simple as putting their logo on the screen and have me read a little 20 second commercial.
