

Rep the Crown Program

The Ontario Royals Baseball Club Organizational Sponsorships

Each year, the Ontario Royals Baseball Club (www.ontarioroyals.com) looks to create sponsorship partnerships to assist with offsetting the costs of running an elite training and development baseball program.

The Ontario Royals began in 2003 as a founding member of the PBLO (Premier Baseball League of Ontario) to provide an alternative option for baseball players looking to pursue collegiate and professional opportunities. Since inception in 2003, the Ontario Royals have continued to grow with the help of great leadership, tireless work and dedication to assert the program as one of the best amateur baseball programs in the nation.

The Ontario Royals baseball program builds a team-oriented, professional, championship culture that is displayed on and off the field. Royals teams play top competition in both Canada and the United States while attending top showcase tournaments and events year-round.

The Ontario Royals Baseball Club prepares student-athletes for the next level of their athletic career, with emphasis on teamwork, discipline and dedicating themselves to baseball year-round, providing opportunities that are second-to-none in Canada.

As we continue to grow and inspire the next generation of athletes, we are seeking sponsorship partners who share our vision. Your support would not only help us enhance our programs and facilities but also provide your brand with valuable exposure to a diverse and engaged audience. Together, we can make a meaningful impact in our community while showcasing your commitment to youth development and sportsmanship.

It truly takes a whole community and family to run an elite level program like the Ontario Royals Baseball Club. By becoming a valued member of Royals Sponsorship Initiatives, you and your organization become part of our growing Royals family.

Currently, our program has had over 250 College Placements and multiple MLB Draftees. We are followed by: 4,000+ Instagram followers; 5,000+ X/Twitter followers; and hundreds of thousands of online engagements each year. We look forward to working with you to realize a partnership with our exciting Sponsorship Packages.
