THE PLAYOFF PICTURE

- Including this game, the Ambush have eight regular season games remaining, so it's time to start charting their playoff chances.
- The top three teams in each division will advance to the playoffs and be seeded one through three.
- The number four and number five teams in each division will face each other in a one-game, single-elimination "play in game".
- The winner of fourth versus fifth then faces a daunting challenge as they move on to play the number one seed in the quarterfinals.
- The number two and number three seeds will also square off in the quarterfinals.
- The quarterfinals, semifinals and championship series are all home and home series with a tie breaker mini-game if tied after two.
- The Ambush come into this game in sixth place in the Eastern Division, three points behind fifth place Utica.
- The remaining schedule for the Ambush is not an easy one if they're to make the postseason.
- Of the seven remaining games after today, five games are against the top two teams in the division (Milwaukee and Florida) and two games are against the team immediately behind the Ambush in the standings (Harrisburg).
