15 Players Allowed on Roster

There are 15 players allowed on each roster. Players names should be listed in Alphabetical Order. All players must sign the roster. All player must have the same number on both, home and away jerseys. Goalies are to be listed at the bottom of the roster.

Rosters and RHA Membership: Every player is required to sign the roster. Forging signatures will result in the team being disqualified to play in future events. Once a roster is handed in to the NARCh Representative the roster is locked, so please double check to make sure every player is properly listed.

Every player is required to be a member of the Roller Hockey Alliance (RHA). If players are not current members, they have an option to purchase the weekend warrior or yearly membership at the event. The Tournament Director will have access to the RHA database, so memberships can be confirmed if you do not have the player numbers present.

Waivers: Every player must fill out a waiver to compete in a NARCh event. Waivers are to be turned in by the team representative when checking in the team, along with the roster, RHA, and proof of age. **ALL PAPERWORK MUST BE TURNED IN BEFORE THE TEAM TAKES THE RINK FOR THEIR 2ND GAME, NO EXCEPTIONS.**

Required Equipment:

5. Goalies must wear full ice hockey protection
6. All players must have the same (relative) color and style pants. **ALL PLAYERS, INCLUDING GOALIES, MUST WEAR THE SAME COLOR AND STYLE JERSEYS.** All teams must have two sets of jerseys with matching numbers. Light jerseys for home teams, dark for visiting teams. The home team is always listed first on the schedule.

Game and Tournament Structure: Each game will consist of two 12-minute stop time periods. One time out is allowed per game. A tie will remain a tie in the preliminary games. For playoff and championship games, overtime will be played and repeated if necessary until a goal is scored to determine a winner. The number of teams registered will determine bracket size. Every team is guaranteed 4 games. A mercy rule is in effect and the game will be stopped when an 8-point spread occurs. Teams must be dressed and ready to play a half-hour before the scheduled game time with the exception of the first two games of the day. Forfeiture could result if a team is not ready to play.
