NARCh Skills 2019!!!**

In 1997 at the NARCh Finals in Vancouver we introduced NARCh Skills. It proved to be one of the highlights of the tournament. Standing room only crowds watch the best roller hockey players in the world demonstrate finely developed, individual skills.

In past years, thousands have turned out to watch the extraordinary display of talented players Skate, Shoot, and Save at the NARCh Skills competition.

The skills competition will be open to all players in all divisions. The entry fee is \$25 per player. Every participant will receive a NARCh Skills t-shirt. Winners will receive individual awards.
