Players must check-in properly and compete in at least 1 full preliminary game to be eligible to compete in playoffs.

15 Players Allowed on Roster

There are 15 players allowed on each roster. Players names should be listed in Alphabetical Order. All players must sign the roster. All player must have the same number on both, home and away jerseys. Goalies are to be listed at the bottom of the roster.

Rosters and RHA Membership: Every player is required to sign the roster and waiver. Forging signatures will result in the team being disqualified to play in future events. Once a roster is handed in to the NARCh Representative the roster is locked, so please double check to make sure every player is properly listed.

Every player is required to be a member of the Roller Hockey Alliance (RHA). If players are not current members, they have an option to purchase the weekend warrior or yearly membership at the event. The Tournament Director will have access to the RHA database, so memberships can be confirmed if you do not have the player numbers present.

Eligibility: Players can only play for one team within the same age group. the only exception to this rule are Foreign Mens teams that travel from another continent to play in more than one division. For example, if a Foreign mens silver team wants to play in both mens silver and mens gold (as a full team), this is acceptable.

Required Equipment:

1. For divisions Midget and below, Cat Eye goalie, face masks are not allowed.
2. All players in Cub-Midget divisions must wear full face shields. Additionally, all players under 18 in Junior or the Women's Division must wear full face shields.
3. All players must wear H.E.C.C. approved for ice hockey helmets.
4. Skaters must wear elbow pads, shin guards, athletic cups, and hockey style gloves. Shin guards must be covered by long roller hockey pants. No ice hockey socks, or short ice hockey pants are allowed.
5. Goalies must wear full ice hockey protection
6. All players must have the same (relative) color and style pants. **ALL PLAYERS, INCLUDING GOALIES, MUST WEAR THE SAME COLOR AND STYLE JERSEYS.** All teams must have two sets of jerseys with matching numbers. Light jerseys for home teams, dark for visiting teams. The home team is always listed first on the schedule.

Game and Tournament Structure: Each game will consist of two 12-minute stop time periods. One time out is allowed per game. A tie will remain a tie in the preliminary games. For playoff and championship games, overtime will be played and repeated if necessary until a goal is scored to determine a winner. The number of teams registered will determine bracket size. Every team is guaranteed 4 games. A mercy rule is in effect and the game will be stopped when an 8-point spread occurs (except in the Cub and Atom Divisions). Teams must be dressed and ready to play a half-hour before the scheduled game time with the exception of the first two games of the day. Forfeiture could result if a team is not ready to play.
