

**ATTENTION COACHES!!!
START PREPARING NOW FOR NARCh SKILLS 2019!!!**

In 1997 at the NARCh Finals in Vancouver we introduced NARCh Skills. It proved to be one of the highlights of the tournament. Standing room only crowds watch the best roller hockey players in the world demonstrate finely developed, individual skills. In past years, thousands have turned out to watch the extraordinary display of talented players Skate, Shoot, and Save at the **NARCh Skills** competition.

The skills competition will be open to all players in all divisions. The entry fee is \$25 per player. Every participant will receive a **NARCh Skills** t-shirt. Winners will receive individual awards. There are 3 winners for the skills competition – Fastest Skater, Sniper, Top Goalie.

- Fastest Skater – one full lap around the rink. Fastest times keep advancing through rounds until we have a winner.
- Sniper – breakaway competition. Once a player misses twice, they are eliminated from the competition.
- Top Goalie – Goalies face the snipers in the breakaways, and we eliminate the goalies as the score. Goalies that let in the least amount of goals continue to advance.
